# LauncherOne

## QUICK START GUIDE

Visit www.vivitekcorp.com for more product information.
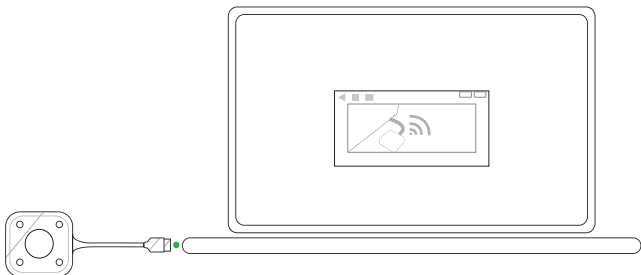

① Connect the LauncherOne to the NovoConnect device.

NOTE: The NovoConnect device must be powered on and connected to a display.

② The main button on the LauncherOne lights up red and a **Loading** screen is shown on the display.

③ Wait for the main and corner buttons on the LauncherOne to light up blue and the **Pairing Completed** screen to be shown on the display.

④ Connect the LauncherOne to a computer and the LauncherOne software will run automatically.

If your computer does not automatically run the LauncherOne software, download the software from www.LauncherOne.io and run it on your computer.

⑤ Wait for the main button on the LauncherOne to light up red, and then press the button.

⑥ Your computer's screen is shown on the display.

⑦ Press any corner button on the LauncherOne to project your computer's screen onto the corresponding quadrant of the display.
